

## UPPSC 2025 Prelim Exam – Subject-wise Analysis (Zero Plagiarism Version)

This document provides a zero-plagiarism, conceptual analysis of the UPPSC 2025 Preliminary Examination. The subject-wise weightage below is based on historical trends and expected question distribution. Actual data may vary slightly once official analysis is released.

### Subject-wise Weightage (Approximate)

Subject / Section	Approximate % Share
Polity & Governance	18%
History (India & Indian National Movement)	17%
Geography	16%
Economy	12%
Science & Technology	10%
Environment & Ecology	10%
State-specific (Uttar Pradesh)	8%
Current Affairs / Schemes & Miscellaneous	9%

### Interpretation & Key Insights

- Polity, History, and Geography together constitute around 50% of the paper, making them the most critical areas.
- Economy, Science, and Environment form the middle segment, requiring conceptual clarity and updates.
- Uttar Pradesh-specific content, although smaller in share, often becomes the decisive factor.
- Current affairs and schemes add a dynamic layer, testing awareness and linkages to static subjects.

## Conclusion

This analysis aims to provide a balanced understanding of how the UPPSC 2025 Preliminary Exam may be structured. Candidates should focus equally on static fundamentals and dynamic updates, with special emphasis on UP-specific topics.
